Jayvees Bow To Nelson 10-8

by 'Rabbit' Cawthorne

A mere two points have knocked the hard-working hard-winning Raider Jayvees out of their undefeated berth in the league with a heart-breaker 10-8 defeat by Nelson County J-V's on Thurs. afternoon, Sept. 30.

William Lipford of the Raiders, in the first quarter, intercepted a pass and ran the ball back for a 45-yard TD. Mike Preston ran the extra point and the score board read 6-0.

In the 3rd quarter, Appomattox fumbled on the 25 yard line and the scramble ended in the End Zone with Dickie Kelso in possession of the ball. Nelson County jumped on him, and Kelso could go nowhere. That made it 8-2 with a safety for Nelson. Also, in the 3rd, the Raiders tried to punt, but it was a bad snap from center and the ball ended in the End Zone – recovered by Appomattox. But then the Nelson J-V line hit hard and it was another safety for the Governors.

Nelson, in the 4th, went in from 3 yards out and the score stood at 10-8. Despite a try at a tally, Rebls' time ran out.

On defense for Appomattox: William Lipford, Mike Ramsey, Mike Quinn. For the offense: Warren Coleman, Mike Weakley, Kent Hancock.

On Thursday the Baby Raiders meet Baby Brookville Bees here at 4 p.m. Y'all Come . . . The Raiders are GOOD this year. Watch'em!

The New Math:

passbook savings interest compounded continuously

You want to save money, right? And you want the money you save to be safe, and to earn a lot of interest.

Well, this is a fact: with your money in a Fidelity savings account, it actually earn more for you than in a lot of other banks. We call it the new math.

Here's why. To start with, we pay 4.5% on passbook accounts. So do some other banks. But here's the difference ... Fidelity compounds your interest continuously, day after day, so that at the end of a year, it's built up to 4.60%. And since we do it this way, you don't lose it all if you have to make a withdrawal. You get every cent of your interest right up to that very day.

There isn't a bank anywhere that will pay you more interest on your savings than we do. And Fidelity has 25 conveniently located offices throughout Central and Southside Virginia to make it easy for you.

The new math. From Fidelity. Naturally.
